

Thank You

for friends, family, and being able to spend time with the ones I love. This would not be possible without the generous help of Foreverfamily [donors and volunteers]. I am thankful for many things, but I am most thankful for your providing me with the opportunity to have a close relationship with my mom that would otherwise be very difficult. ~ Ben, 17 (Ben has traveled with Foreverfamily monthly to see his mom since he was four).

for making this time away from my family easier to cope with. I have no idea what I could do to repay you for the joy you've restored in my life, but as soon as I figure it out, I will not hesitate to do so. You have been such a blessing to me and my children. If there were more [organizations] like this one, the prison wouldn't need lockdown because these mothers would want to stay out of trouble. This is a very humbling experience and I am very grateful for you guys.

You are FOREVER MY FAMILY.

Thank you,

Maria, mother of 6 (ages 1-8)
